# SNEAK PEEK!

Green Goddess  
Juice

Beetroot Balance  
Juice

Carrot-Celery  
Combo

Pineapple Papaya  
Passion

Turmeric Tonic

Berry Bliss Juice

Minty Melon Mixer

Cranberry  
Cleanse

Ginger  
Zinger

Citrus Sunshine  
Boost

# Green Goddess Juice

**BENEFITS:** This juice supports your hormone regulation with the folate-rich spinach, promote collagen production for healthy skin, and aid liver detoxification with cucumber and celery.

1 green apple

2 stalks celery

1 cucumber

2 cups spinach

1/2 lemon (peeled)

## Method

Wash all the ingredients thoroughly. Chop the fruits and vegetables into small pieces. Put them through a juicer. Stir well and serve immediately.

# Beetroot Balance Juice

**BENEFITS:** Balance your estrogen levels with the help of beetroot, support progesterone production with carrots, and reduce inflammation with ginger. With its liver-supporting properties and rich supply of nutrients, it's a great choice for promoting hormonal balance.

1 small beetroot

1-inch piece of  
ginger

2 carrots

## Method

Peel and chop the beetroot and carrot into small pieces. Peel the ginger and cut it into small chunks. Juice all the ingredients together. Pour the juice into a glass and enjoy.

# Carrot-Celery Combo

**BENEFITS:** Support your reproductive health and ease menstrual discomfort, try this Carrot-Celery Combo Juice. With its blend of beta-carotene-rich carrots and hormone-balancing celery, it's a refreshing way to support your hormonal journey.

2 celery stalks

2 carrots

1 green apple

1/2 lemon (peeled)

## Method

Wash all the ingredients. Cut the carrots, celery, and apple into small chunks. Juice them along with the lemon. Mix well and serve chilled.

# Pineapple Papaya Passion

**BENEFITS:** Both pineapple and papaya contain enzymes that aid digestion and reduce inflammation, which can help balance hormones. Cucumber adds hydration and additional vitamins to support overall health.

1 cup pineapple chunks

1 cup papaya chunks

1/2 cucumber

Fresh mint leaves

## Method

Peel and chop the pineapple and papaya. Cut the cucumber into chunks. Juice them together. Add a few leaves of mint for extra flavor. Stir well before serving.

# Turmeric Tonic

**BENEFITS:** Turmeric contains curcumin, a compound with anti-inflammatory properties that may help reduce inflammation and balance hormones. Carrots and oranges provide vitamin C and antioxidants to support hormone production.

1-inch piece of turmeric root

2 carrots

1-inch piece of ginger

1/2 lemon (peeled)

## Method

Peel and chop the turmeric root and ginger. Cut the carrot and orange into small pieces. Juice all the ingredients together. Pour into a glass and enjoy the vibrant color and flavor.

# Berry Bliss Juice

**BENEFITS:** Berries provide antioxidants and fiber, supporting your estrogen metabolism and reducing the risk of estrogen-related cancers. Spinach gives you iron, ensuring healthy blood production and hormone synthesis.

1/2 cup blueberries

1/2 cup  
strawberries

1/2 cup  
raspberries

1 cup spinach

1/2 cucumber

## Method

Wash all the berries and vegetables. Cut the cucumber into small pieces. blend all the ingredients together. Serve immediately over ice.

# Minty Melon Mixer

**BENEFITS:** Watermelon and cantaloupe hydrate you, supporting kidney function and helping eliminate excess hormones. Mint alleviates bloating and digestive discomfort, giving you relief from hormonal imbalance symptoms.

1 cup watermelon cubes

1 cup cantaloupe  
cubes

Fresh mint leaves

## Method

Chop the watermelon and cantaloupe into small cubes. blend them together along with some fresh mint leaves. Pour into a glass and enjoy the refreshing taste.

# Cranberry Cleanse

**BENEFITS:** Cranberries prevent UTIs, common with hormonal changes in women, giving you urinary health and peace of mind. Celery and cucumber hydrate you, supporting kidney function and hormone balance.

1/2 cup cranberries

2 celery stalks

1/2 cucumber

1/2 lemon (peeled)

## Method

Wash the cranberries, celery, and cucumber. Cut them into small pieces. Juice them together with the lemon. Stir well and serve chilled.

# Ginger Zinger

**BENEFITS:** Ginger's anti-inflammatory properties ease menstrual pain and inflammation, giving you relief from hormonal imbalances. Apples and pears provide fiber, supporting your digestive health and hormone metabolism.

1-inch piece of ginger

1 cup kale

1 pear

1 apple

## Method

Peel and chop the ginger. Cut the apple and pear into small chunks. Wash the kale thoroughly. Juice all the ingredients together. Serve immediately.

# Citrus Sunshine Boost

**BENEFITS:** Citrus fruits provide vitamin C and antioxidants, supporting your immune function and adrenal health, crucial for managing stress hormones. Turmeric's anti-inflammatory properties balance your hormones and reduce PMS symptoms, giving you a sunny disposition.

1-inch piece of  
turmeric root

2 oranges

1/2 lemon

1/2 grapefruit

## Method

Peel the oranges, grapefruit, and lemon. Cut them into small pieces. Peel and chop the turmeric root. Juice all the ingredients together. Enjoy the tangy and invigorating flavor.
